

St. Michaels Gardeners

are invited to meet

Warner and Jane Golde

Founders of Lewes in Bloom

April 25th • 10:30 a.m. at Christ Church Parish Hall

"Lewes in Bloom was founded in 2002 by a small group of 7 individuals.... Since then, and for the fourth time in the last 15 years, Lewes has been recognized as one of the most beautiful small towns in America with assistance from Lewes in Bloom volunteers, who now number over 180. . . .

Lewes in Bloom is a volunteer organization, who in 2015-16 spent hundreds of hours planting thousands of bulbs and plants throughout the city. It promotes the beautification and maintenance of Historic Lewes and the community at large. It is dedicated to helping Lewes boost its attractiveness through a variety of efforts including historical preservation, environmental awareness, a children's garden, Art in Bloom, floral displays, and more."

Join us and become inspired.
